Between Silence and Praise (Paperback)

By Elizabeth Socolow

Ragged Sky Press, United States, 2006. Paperback. Book Condition: New. 198 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****.The threshold of what is about to happen or has just passed, the liminal moment- these are the subjects of the poems in this volume. The poems suggest that if we saw more and praised it, we might envy our own lives. Elizabeth Socolow s poetry is at once graceful, powerful and provocative. She captures above all those flashes of consciousness, replete with evanescent meaning, that elude less refined perceptions. In this, she reminds me of Robert Browning s fascination with the moment one and infinite. She celebrates the unnoticed small perfections of the natural world, like the spores of the fern, and links them to large questions of connectedness and complexity....
