FOREVER FAT: ESSAYS BY THE GODFATHER (HARDBACK)

[DOWNLOAD](#)

University of Nebraska Press, United States, 2003. Hardback. Book Condition: New. 239 x 154 mm. Language: English . Brand New Book. Dubbed - some would say drubbed - the godfather behind creative nonfiction by Vanity Fair, Lee Gutkind takes the opportunity of these essays, and the rich material of his own life, to define, defend, and further expand the genre he has done so much to shape. The result is an explosive and hilarious memoir of Gutkind's colorful life as a motorcyclist, a medical insider, a sailor, a college professor, an over-aged insecure father, and a literary whipping boy. In *Forever Fat* Gutkind battles his weight, his ex-wives, his father, his rabbi, his psychiatrist, and his critics in a lifelong cross-country, cross-cultural search for stability and identity. And from Gutkind's battles, the reader emerges a winner, treated to a sometimes poignant, sometimes harrowing, sometimes uproarious, and always engrossing story of the simultaneous awakening of a man and his mission, and of the constant struggle, in literature and in life, to sort out memory and imagination. Here, enacted in technicolor terms, is the universal, symbolic truth that no matter how far you travel, over how many years, you will never completely shed the weighty baggage of adolescence. Yet, as Gutkind proves again and again, he has learned to describe his burden with an ever-lightening brilliance. Lee Gutkind is the founder and editor of the journal *Creative Nonfiction* . The author and editor of a dozen books, including the award-winning *Many Sleepless Nights: The World of Organ Transplantation* , he is a professor of English at the University of Pittsburgh and the director of the Mid-Atlantic Creative Nonfiction Writers Conference at Goucher College.
