Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Mental Pathology in Its Relation to Normal Psychology: Lectures Delivered in the University of Leipzig The original title of this book, fully translated, runs as follows: Lectures on Mental Pathology in its significance for Normal Psychology, together with the Psychological Fundamentals of the Theory of Knowledge. Several years ago I heard Dr. Storing deliver these lectures at Leipzig; and when I came to teach psychology, and found myself hampered by the lack of any English work on mental pathology to which I might refer my students without embarrassing them in a morass of clinical details, it occurred to me that they might find such a translation as this useful. The practical test of its usefulness I must, as it happens, leave to others, to whom I apologize for the roughness of the language and for the many Teutonisms which still remain unexcised. I believe the meaning to be accurately, though not always literally, rendered; were the translation more literal, it would be too bald and full of repetitions to suit English ears. As for the substance,...
