Excerpt: . . . a record of marked progress as to colorings. By mixing the toncs for himself the porcelain painters can so increase their variety that modern porcelain painting is not inferior in its character to any other branch of applied art. International Competition for Protective Appliance! The Italian Minister of Agriculture has issued from Rome the regulations affecting the approaching international competition for inventions to protect workers from accidents. From these it would seem that the models submitted will be exhibited in a special section of this years Turin Exposition. The date of sending them in has been for some classes extended until June 30 next. Models and appliances will remain the sole property of the inventors, who, however, will have to take the necdful steps to legally protect their rights. Business Undertone Good The Simmonds Hardware Co. , of St. Louis, is one of the...
