Farrar, Straus and Giroux. Paperback. Book Condition: New. Paperback. 80 pages. Dimensions: 8.2in. x 5.4in. x 0.3in. I dont want words to sever me from reality. I dont want to need them. I want nothing to reveal feeling but feeling--as in freedom, or the knowledge of peace in a realm beyond, or the sound of water poured in a bowl. -- from Gravity and Center In his sixth collection of verse, Henri Cole deepens his excavations and examinations of autobiography and memory. These poems--often hovering within the realm of the sonnet--combine a delight in the senses with the rueful, the elegiac, the harrowing. Central here is the human need for love, the highest function of our species. Whether writing about solitude or unsanctioned desire, animals or flowers, the dissolution of his mothers body or war, Cole maintains a style that is neither confessional nor abstract, and he is always opposing disappointment and difficult truths with innocence and wonder. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
