Did You Know Natural soap bars are suitable for all skin types including sensitive skin. They do not contain chemical additives like commercial soap bars which may include animal fats, alcohols, esters (known carcinogenics), low grade oils, wax and fillers. One of the many benefits of using a natural soap bar is that since they do not contain animal fats they cut down on the soap scum you will find in your shower and bath if you are using commercial soaps. Natural soap doesn't strip your skin of its natural oils which means your skin is left feeling softer...
