

The Dark Domain (Paperback)

Filesize: 9.73 MB

Reviews

It is one of the most popular publications. It is actually written in easy words instead of confusing. You will like how the author created this book.

(Art Gislason)

DEDALUS LTD, United Kingdom, 2013. Paperback. Book Condition: New. 3rd edition. 198 x 124 mm. Language: English . Brand New Book. .reading The Dark Domain by Stephan Grabinski is such a revelatory experience. Because here is a writer for whom supernatural horror is manifest precisely in modernity - in electricity, fire-stations, trains: the uncanny as the bad conscience of today. Sometimes Grabinski is known as the Polish Poe but this is misleading. Where Poe s horror is agonised, a kind of extended shriek, Grabinski s is cerebral, investigative. His protagonists are tortured and aghast, but not because they suffer at the caprice of Lovecraftian blind idiot gods: Grabinski s universe is strange and its principles are perhaps not what we expect, but they are principles - rules- and it is in their exploration that the mystery lies. This is horror as rigour. China Mieville in The Guardia.
