Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Do we have a Bible available in the world today? Is the Bible a book, or a whole library of books? Does God offer man a Word, or a whole dictionary of words? There has never been a time when there was more confusion about God's Word than today when man is supposed to know more about God than at any time in history. God, who is not a God of confusion, finds His people wallowing in a mud hole of confusion. Did God say Mary was a virgin or a young woman? Did God say her purification, or their purification? Did Moses say seed, or did he say descendants or offspring? Did God know what He was talking about? The Bible has become just another piece of merchandise in a marketplace that is governed by obsolescence. Anything made last year becomes trade day junk on January 1st of every year. That includes the Word of God. This marketplace is a place of competition where everything must declare itself better than all the other things. Scholarship has become more important than divine inspiration. An inferior people (2011 people) claim to be better than superior people (seventeenth century people). Why are new discoveries so important to scholars when there are no new discoveries with God. The authors of Towers give historical reasons to accept the King James Bible as the only Bible we have available. God is the God of the A.D. world the same as He was the God of the B.C. world. God directed the affairs of man before Christ so that His eternal will would be done on Earth. God has directed the affairs of...
