Sunstone Press, United States, 2008. Paperback. Book Condition: New. 272 x 208 mm. Language: English . Brand New Book ***** Print on Demand *****.The basic elements of any garden are always the same: seeds, soil, sun, and water. It is in the search for that perfect combination that leads the gardener into the broader aspects of each element. The transitions made during the growing season tell many stories about not only seed, soil, sun, and water, but also about one s self. Each season brings its own discoveries, whether using new methods to overcome old problems, celebrating an innovative success, or dealing with the failures and setbacks that befall any gardener. Growing With The Seasons gives many tools and plans for the garden, but lets the reader assemble them as they want and need, traveling the roads of personal discovery, reaching a fruition that is productive, satisfying, and universal. This book is also the evolving story of the authors endeavors to provide ideas, concepts, and encouragements for the practical application of a personal and joined effort of beneficial direction to make the world a better place bringing about a planned harmony within ourselves and the people around us. Those who have attended the Giannangelos workshops, bought produce at the Ramah Farmers Market in New Mexico, and met with the authors at community gatherings inspired Growing With The Seasons. Frank and Vicky Giannangelo both lived in Denver, Colorado, when they were children. Vicky s family moved to Washington State where she went to high school and graduated from the University of Washington with a double major degree in philosophy and economics. Frank s family moved to Prescott, Arizona where he went to high school, and upon returning from Viet Nam, graduated from Northern Arizona University with a degree in literature. They...
