LUTHER'S REVOLUTION: THE POLITICAL DIMENSIONS OF MARTIN LUTHER'S UNIVERSAL PRIESTHOOD (PAPERBACK)

Wipf Stock Publishers, United States, 2011. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Description: Luther's universal priesthood is, in part, a political doctrine that constitutes a revolutionary strain in Luther's thinking--a strain that can only be described as radical. Luther's political understanding of the universal priesthood posed a challenge to the concrete structures of his day, which were built upon a cosmological foundation that came under attack as a result of the Protestant Reformation. Thus, Luther's universal priesthood was not simply another evangelical concept that dealt with the office of ministry. It also served as the means for reordering the concept of temporal authority and the temporal order. Understood in this way, the universal priesthood had a political dimension that must be acknowledged if it is to be fully understood. Endorsements: In *Luther's Revolution*, Montover presents a creative, compelling explication of the universal scope of Luther's vision of the priesthood of all believers, for in living out their new life in Christ, both structures of the church and the world will be transformed. The author's use of Luther's 1520 treatise *To the German Nobility of the German Nation Concerning the Betterment of the Christian Estate* offers a promising model for fruitful engagement of Luther's evangelical theology in the twenty-first century. --Winston D. Persaud author of *The Theology of the Cross and Marx's Anthropology* *Luther's Revolution* is a provocative and evocative challenge to those who view Luther as someone who distanced himself from revolutionary politics. Montover offers a compelling and well-documented reading of the political implications of the early Luther's foray into the caste system of the medieval church's conception of the priesthood. His contention is that...
