Lion Hudson Plc. Paperback. Book Condition: new. BRAND NEW, The Relational Manager: Transform Your Workplace and Your Life, Michael Schluter, David John Lee, John Lee, This inspiring new approach is based on extensive research by an expert on relationships and supported by a wealth of statistics and case studies. Relationships are at the heart of all that we do and achieve, indeed our very identity. When relationships are neglected in a business context, the authors argue, they lead to poor health, ineffective management and low output at work. The authors focus on 5 key components of successful relationships and how these can be achieved: - Encounter (personal rather than impersonal contact is best) - Storyline (strength of the relationship over time) - Knowledge (how deeply is information shared?) - Fairness (equal treatment and mutual respect) - Alignment (sharing values, objectives and purpose).
