THOMAS EDISON THE FORT MYERS CONNECTION FL IMAGES OF AMERICA

[DOWNLOAD](#)

Arcadia Publishing. Paperback. Book Condition: New. Paperback. 160 pages. Dimensions: 9.5in. x 6.5in. x 0.4in. Thomas Edison's love affair with the growing frontier town of Fort Myers, Florida is a little-known, but intriguing part of the Edison legacy. The man whose inventions changed the world and defined the future course of American life first visited the young and still untamed town in 1885, purchasing a winter residence known as Seminole Lodge that he and his family would use until his death in 1931. His Fort Myers home subsequently provided the setting for the many notables who would visit Edison, including automobile magnate Henry Ford, rubber baron Harvey S. Firestone, and writer and naturalist John Burroughs. Today, the Edison's mutual bonds with the community are perhaps the defining feature of Fort Myers history. The city has named numerous streets and public venues, its community college, a mile-long bridge, and its major shopping mall after Edison, and Fort Myers has recognized the annual Edison Festival of Light and Pageant as its premier social and winter events. Because of Edison's long association with Southwest Florida, his memory and persona hold an unparalleled significance for the entire region. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
