## Numicon: Fraction Number Line Laminate

By -

Oxford University Press, United Kingdom, 2015. Poster. Book Condition: New. Language: N/A. Brand New Book. Numicon builds a deep understanding of maths through a multi-sensory approach, developing children's fluency, reasoning and problem-solving. This laminated number line starts at zero and has fifty unlabelled points. The points can be labelled with any denomination of fraction children are working with. This provides a valuable tool for exploring equivalences and comparing fractions with different denominators.

### Reviews

*It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
