Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Statistical Reports: No; 1. 656 Cases of Gunshot Wound of the Head In close relation to the work the Medical Research Committee have undertaken for the Army Council in the compilation of the formal Medical Statistics of the War, the Committee have provided accessory help in various directions for the collection and preservation of medical records and of the after-histories of military patients, with a view both to the present guidance of medical officers and to the future purposes of the Medical History of the War. This accessory statistical work has been effected by the arrangements made for the interchange of information between separate medical units overseas and between those overseas and at home, by the schedule system of collecting information in chosen series of cases, by clerical help supplied for tracing personal histories after discharge, and in other ways. Many communications giving statistical summaries of the results of treatment in various classes of medical and surgical patients have already been published by permission in medical journals, and others have been given in several of the reports issued or published by the Committee. With the sanction of the Director-General, A. M. S., the Committee have made arrangements to issue from time to time for official distribution statistical summaries which, whether from their provisional nature or for other reasons, are not proposed for publication elsewhere. The present statistical note on a series of 656 cases of gunshot wound of the head has been compiled by Captains Adie and Wagstaffe, R. A. M. C., with the aid of the schedule system organized by the Committee, and it is hoped that this may be the first of a...
