

Mini Express

By Peter Lippman

Workman Publishing. Novelty book. Book Condition: new. BRAND NEW, Mini Express, Peter Lippman, The big engines that rumble--or the little engine that could--have a real fascination for the youngest readers. And not only do children like reading about trains, or watching them in videos (think Thomas the Tank Engine), but they love playing with toy trains. Enter "The Mini-Express," the latest "Mini Wheels Book," the new series of board-books-as-vehicles from the creator of the 2.2-million-copy bestselling Mini House Book series. The natural companion to "Mini School Bus" and "Mini Fire Truck," "The Mini-Express" takes readers on a fun-filled ride aboard a chunky and colorful die-cut steam engine. With the hiss of steam and clackity-clack of wheels on the track, the rhyming verse tells the story of Engineer Hoot and his crew of hardworking mice. Peter Lippman's energetic illustrations bring the characters and text to life on every page, and real working wheels keep "The Mini-Express" on the go--across the floor, and through a child's imagination. All aboard!".
