

Accounting Handbook for Medical Practices (Hardback)

By Rhonda W. Sides, Michael A. Roberts, Reed Tinsley

John Wiley and Sons Ltd, United States, 2000. Hardback. Book Condition: New. New.. 229 x 157 mm. Language: English . Brand New Book. Physicians and their medical practices today face innumerable problems and challenges in analyzing current market changes in the medical field. Do they understand and have the skills and knowledge to make advantageous decisions related to the increasingly complex situations in which they find themselves? Do they merge, oversee their office managers more closely, sign their own checks, and scrutinize accounts, or do they need a professional to come in and evaluate their practice and prepare a comprehensive financial assessment? This Accounting Handbook for Medical Practices gives physicians a valuable, usable, and readable journey through the proper processes of financial accounting and related issues. Sample charts, accounting formulas, and informative case studies enhance each chapter. Why Accounting and Financial Decisions Challenge Medical Practices and How to Address Them This book tells you what inefficiencies currently cost most physicians and their medical practices. In addition to providing you with financial analysis charts, you will find in these pages: General rules for accounting Detailed outlines of financial statements Audit standards Operating expense analyses Special medical practice issues Case studies Cost-accounting...
