

Christian Life and Witness (Hardback)

Filesize: 4.25 MB

Reviews

A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where basically altered me, change the way I believe.

CHRISTIAN LIFE AND WITNESS (HARDBACK)

Pickwick Publications, United States, 2010. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Description: Count Nikolaus Ludwig von Zinzendorf was without question the most influential German theologian between Luther and Schleiermacher. He was the force behind modern Protestant missions, launched efforts that eventually became the ecumenical movement, and influenced some of the most significant theological projects of the modern world from Schleiermacher's to Barth's and Bonhoeffer's. He was convinced that in important respects the Christian church of his day had lost its way both intellectually and practically. In these speeches, given to overflow crowds in Berlin, he brought to expression what he held to be the absolute and nonnegotiable center of Christian existence—the main thing. Here he laid out for public view the heart of all his activity, the guiding reality of his life. In these speeches Zinzendorf focuses on fundamental theological themes. One senses the influence upon him of the Pietist movement and of Orthodox theology. One gains an appreciation for his bold idiosyncrasy, his willingness to stand apart, and to bear witness. But above all, one gains here an insight into the very heart of Zinzendorf. Endorsements: Zinzendorf's Berlin Speeches is his most widely read work. Now it is available in a new, modern English translation while preserving the original distinctiveness of Zinzendorf's style. Thanks to the work of skillful translator and Zinzendorf scholar, Gary Kinkel, Zinzendorf can speak to us today. --Paul Peucker Archivist, Moravian Church Archives, Northern Province Nikolaus Ludwig von Zinzendorf has often been misunderstood by the church and ignored by scholars. In this volume, Gary S. Kinkel brings the Count back to life for the twenty-first century. The Berlin Speeches, which reflect on Luther's explication of the second...
