Pan Macmillan. Paperback. Book Condition: new. BRAND NEW, Life Lessons from Freud (Main Market Ed.), Brett Kahr, The School of Life, 'The School of Life offers radical ways to help us raid the treasure trove of human knowledge' Independent on Sunday Sigmund Freud is best known as the father of psychoanalysis. Born in 1856, he was a physiologist, medical doctor and psychologist who spent most of his life in Vienna, Austria. He developed revolutionary ideas about the unconscious mind, repression and the meaning of dreams and the clinical method of treatment through dialogue. Here you will find insights from his greatest works. The Life Lessons series from The School of Life takes a great thinker and highlights those ideas most relevant to ordinary, everyday dilemmas. These books emphasize ways in which wise voices from the past have urgently important and inspiring things to tell us. 'thoroughly welcoming and approachable .If the six books in the Life Lessons series can teach even a few readers to pay passionate heed to the world - to notice things - they will have been an unquestionable success' John Banville, Prospect 'there is a good deal to be learned from these little primers' Observer.
