

Santeria from Africa to the New World: The Dead Sell Memories (New edition)

Filesize: 5.87 MB

Reviews

Unquestionably, this is actually the greatest function by any writer. We have go through and so i am confident that i am going to gonna read through once more once again later on. I am just happy to explain how this is actually the very best book i have got go through during my individual existence and might be he greatest ebook for ever.

(Wilbert Connelly)

Indiana University Press. Paperback. Book Condition: new. BRAND NEW, Santeria from Africa to the New World: The Dead Sell Memories (New edition), George Brandon, 'On his own terms, Brandon more than fulfills his promise to take the reader on the transatlantic journey of the orisha and to explore the complexities of African memory in the diaspora' - "American Historical Review". He adeptly addresses broader issues, such as power relations within Caribbean slavery, multiculturalism, and the forms of religious accommodation to cultural change. In addition, he offers a fresh and cogent assessment of the production and reproduction of African beliefs and practices in new contexts. Brandon's exemplary archival research is supplemented by skillful participant observation. Choice, The Yoruba religious tradition arose in West Africa, but its influence has spread beyond Africa to millions of adherents in the Americas as well. "Santeria from Africa to the New World" retraces one path taken by this traditional path from Africa to Cuba and to New York City. George Brandon examines the religion's transatlantic route through Cuban Santeria, Puerto Rican Espiritismo, and Black Nationalism. In following the historical and anthropological evolution of the Yoruba religion, Brandon discusses broader questions of power, multiculturalism, cultural change, and the production and reproduction of African retentions.
