

Darkstone: The Future May be Closer Than You Think

Filesize: 3.34 MB

Reviews

This book is great. it was writtern quite flawlessly and helpful. You will not truly feel monotony at whenever you want of your time (that's what catalogs are for concerning if you ask me).

(Sterling Kris)

Troubador Publishing. Paperback. Book Condition: new. BRAND NEW, Darkstone: The Future May be Closer Than You Think, Dave Rigby, Ellis Landsman, a forester living in the Scottish Outlands, is shocked to discover a wolf in his forest pawing at the uncovered body of a young woman. He rescues the body and makes the long snow-covered journey to Glasgow to report the death and hand the body over to the Brigade - the semi-militaristic security force that has replaced the police. Due to bitter experience, Ellis is reluctant to trust the Brigade to fully investigate the woman's death and so he decides to do some detective work of his own. He wants to know who the woman is, how she died and how she came to be buried on his land. Helped in his daunting task by active 'oppositionists' Lorna, Gam, Colette and the mysterious Lemmy, Ellis discovers Darkstone, a shadowy undercover security operation that reaches right to the heart of the Brigade. Will he succeed in his investigations or will the Brigade force him to abandon his mission and retreat back to the Outlands.? Set in the 2020s, Darkstone is a fast-paced, dystopian novel that will appeal to readers who enjoy thrillers.
