Page Publishing, Inc., United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Hezekiah s Maple: One Man s Journey with Cancer and Hope is the often very personal diary of one man s battle with cancer, and the hope which has sustained him through this journey. It is written from the viewpoint and heart of a Christian, and faith and hope are centerpieces of the work. The author was diagnosed with cancer in January of 2014. Hezekiah s Maple is a record of blogs written throughout the year, revealing his hope even in the darkest of times, uncovering moments of despair and darkness, and how he came through them to the other side. Readers of the blogs have described them as inspirational and encouraging, and beneficial to any who might read them, whether suffering from cancer or involved in another health crisis, or difficult situations unrelated to health altogether. This is a book to not only read for yourself, but also to share with a friend in need of inspiration and direction. Mr. Mullins tells a testing story, a story which includes a cancer battle, with love, humor, and deep spiritual connections. The need for enduring faith tests our souls. In solitude, he becomes more aware of himself. In community, he becomes more aware of others. In endurance, he becomes strongly connected with his faith. Joey Mullins offers Hezekiah s Maple as a handbook of endurance and persistence for faith. Hezekiah s Maple will encourage you.
