Connections Book Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, Titania's Numbers - 8: Born on 8th, 17th, 26th, Titania Hardie, Each volume in this stunning mass-market series reveals amazing facts about your character and behaviour and the compatibility ratings for your particular DAY number. You'll also discover much you didn't know about your childhood, career, leisure time, and love prospects with every other DAY number! You can even check your yearly forecast plus find out what your LIFE number has to say about you. And, by consulting the other volumes, you can check out all this information for everyone you know. Now you can really count yourself lucky! Your DAY number tells you how you are going to feel instinctively, how your gut reactions run and, to a large degree, how you are perceived at first sight by others. This number rules your day-to-day life, and will reveal extraordinary insights into the immediate workings of your character. For example: How do you get on with others? And, who do you best get on with? What are your most obvious talents, and how might you utilize them? What do you need to make you feel evenly balanced and happy in a daily environment? What is your love style? Your preferred taste? Your likeliest interests? What are you like to do business with? And, how do others think of you? Your DAY number is just the date of the day you were born on, regardless of the month. Is it the 1st or the 15th, or the 31st? If the day is two digits, add them together and reduce the number to one single digit: so, 1st = 1, but 15th = 1+5, which gives you 6, 20th = 2+0, which gives you 2, and 31st = 3+1, which gives you...
