Reviews

It is great and fantastic. Sure, it is actually perform, nevertheless an amazing and interesting literature. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Tess Press, 1990. Hard Cover. Book Condition: New. Dust Jacket Condition: New. In a walled garden surrounded by skyscrapers, Father Michael Birney met an unholy end, stabbed by an assailant who invaded his vespers prayers and then vanished as twilight overtook the big city. A stone's throw from the crime scene, a congregation of Satan worshipers chants its disturbing incantations -- an irony not lost on Detectives Carella and Hawes, who search among the cultists for a killer. But it will take more than a leap of faith for the cops of the 87th Precinct to expose the truth behind the deadliest -- and bloodiest -- of sins.
