Reviews

It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have got read through during my individual life and might be the finest publication for ever.

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a history of the early origins of Islam, beginning with Muhammad and tracing the rapid expansion of the religion in the generations after. From the preface: THE present work lays claim to no higher character than that of a compilation. This indeed must necessarily be the character of any work attempted at this day upon the same subject. All the accessible facts in the life and fortunes of the Arabian prophet have long since been given to the world. New theories and speculations, moral and philosophical, founded upon these facts, and many of them richly deserving attention, are frequently propounded to the reflecting, but they add little or nothing to the amount of our information. All therefore that can now be expected is such a selection and arrangement of the leading particulars of his history, as shall convey to the English reader, in a correct and concentrated form, those details which are otherwise diffused through a great number of rare books, in different languages. Prideaux a century since wrote a similar volume; but besides the age of this work, it is disfigured with prejudices greatly diminishing its value. Most of the histories of Arabia also, and of Mahometanism, both in our own and in foreign languages, include sketches of the prophet s life and proceedings, conveying much valuable information; but, as it will be instantly seen, they must generally be too brief and rapid to afford more than a summary of his chief proceedings. In the following work, brevity has been as much studied as is consistent with a correct and full exhibition of the subject of a memoir; and as no life of Mahomet can...
