Last year the College of Agriculture met face to face 150.0()0 citizens of California. Second--The work which is carried on. at Berkeley. Whittier, and Davis is not primarily for the development of the immediate localities, but is a part of a general scheme of education and research which looks toward promoting the general welfare of the commonwealth. The establishment of the Citrus Experiment Station is not primarily for the purpose of promoting the raising of oranges in Riverside County, but is for the purpose of studying problems which are of the greatest importance wherever agriculture exists under an irrigaion ditch. Third--Any additional points of operation which it may hereafter be deemed wise to establish must be considered from the standpoint of the general plan which...
