Reviews

Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Llewellyn Terry)

JACK TEMPLAR MONSTER HUNTER THE TEMPLAR CHRONICLES BOOK ONE

[DOWNLOAD](#)

Seven Guns Press. Paperback. Book Condition: New. Paperback. 204 pages. Dimensions: 8.1in. x 5.2in. x 0.6in. Finalist for the 2012 Book of the Year Award -- Foreword Reviews Orphan Jack Templar has no memory of his parents and only the smallest details from his Aunt Sophie about how they died. The day before Jack's fourteenth birthday, things start to change for him. At first it's great: A sudden new strength helps him defend his nose-picking friend T-Rex from the school bully, and even his crush, Cindy Adams, takes notice. But then a mysterious girl named Eva arrives and tells him two facts that will change his life forever. First, that he's the descendent of a long line of monster hunters and he's destined to be in the family business. Second, that there's a truce between man and monster that children are off-limits. . . until their fourteenth birthday! Jack has only one day before hundreds of monsters will descend on his little town of Sunnyvale and try to kill him. As if that weren't enough, things get even more complicated when Jack discovers that the Lord of the Creach (as the monsters are collectively known) holds a personal grudge against him and will do anything to see that Jack has a slow and painful death. To stay alive and save his friends, Jack will have to battle werewolves, vampires, harpies, trolls, zombies and more. But perhaps the most dangerous thing he must face is the truth about his past. Why do the other hunters call him the last Templar? Why do they whisper that he may be the One? Why do the monsters want him dead so badly? Even as these questions plague him, he quickly discovers survival is his new full-time job and that in the world of monster hunters, nothing...
